QUALITY POLICY STATEMENT

At Extended Networks W.A. Limited, we are committed to understanding the needs and expectations of our customers and providing cost-effective Co-location Leased Infrastructure, which enables mobile network operators to improve services to their subscribers.

This is achieved through rigorous control of the entire process and continual improvement of our quality management system with the goal of meeting customer satisfaction and complying with all statutory and regulatory requirements in accordance with the requirements of ISO 9001:2015 standard.

Charles Vinan

Managing Director/ Chief Executive Officer.
